

Dear Parents,

The recent wet weather has been very useful to help our grass and new turf to grow. We will be able to use the grassed areas by the school next week.

Yours sincerely,

Mrs Anne C Brouard
Headteacher

Beetle Drive

Thanks to all who attended last week's beetle drive, the PTA and Mrs De La Haye for organising the event.

A great time was had by all.

Lost Property

Please name the children's jumpers and cardigans as we have a good collection in lost property.

Red, White and Blue Day

We will be celebrating the Queen's Diamond Jubilee the week before half term. On Friday 1 June we will have a lunchtime street party and on that day the children are able to wear red, white and blue to school.

Prayer Spaces in School

On Friday 25 May the children will be able to experience Prayer Spaces in the activity and Disney rooms. The team from PACE will help the children derive a great sense of enjoyment and fascination in learning about themselves, others and the world around them. It will encourage the children to reflect and learn from reflection as they take part in the variety of activities provided.

Sun Hats and Sun Cream

Hopefully the weather is improving so please ensure your child wears a sun hat at school and has sun cream applied before school. Should you feel that the sun cream should be reapplied during the day, send it to school in a named bag and the children can reapply the cream at dinner time.
